

## Westfield Nursery School Early Years Pupil Premium Statement Autumn 2017-2018

Estimated Early Years Pupil Premium (EYPP) allocation for Westfield Nursery School for the financial year 2017-2018				
Individual allocation per child	Overall Allocation	Number of Children		
£302.10 per child per year	£6.042 (based on 20 pupils)	Autumn 19 children	Spring 21 children	TBC

From April 2015, Early Years settings have been able to access Early Years Pupil Premium (EYPP) each term. This money is designed to narrow the attainment gap between young children from low income families and their peers; setting them on a path to a more successful future.

The funding is additional to main school funding. It is allocated according to the number of 3 and 4 year olds in state funded early education who meet at least one of the following criteria:

- Their family receives one of the following:
  - Income support
  - Income-based Jobseeker's Allowance
  - Income-related Employment and Support Allowance
  - Support under part VI of the immigration and Asylum Act 1999
  - The guaranteed element of State Pension Credit
  - Child Tax Credit (provided they're not also entitled to Working Tax Credit and have an annual gross income of no more than £16.190)
  - Child Tax Credit run-on, which is paid for 4 weeks after they stop qualifying for Working Tax Credit
  - Universal Credit
- They have been in Local Authority care for 1 day or more in England or Wales
- They have been adopted from care in England or Wales
- They have left care under a special guardianship order or residence order in England or Wales

We aim to use the EYPP funding to enrich children's education and improve outcomes for eligible children, so they can exceed that of non-EYPP pupils. After the pupils have been named we identify each pupils' needs and they identify a solution. Resources are then allocated, and pupils outcomes monitored.
