

Westfield Nursery School

Communicates with grown-ups and children

At Westfield Nursery we believe you will become more confident to speak and listen if you feel valued. Some of you may feel happy to speak, and some may use gestures. We want to help grow your listening, understanding, and speaking skills.

You will learn about:

Listening

Turn taking

Appropriate conversations

Using your imagination to help with conversation

Other cultures and their language

Your teachers will help you by:

Providing you with safe and fun activities and resources to explore

Using a visual timetable

Sharing information with your family

Message board, planning and review times

Having high expectations

Lift off to Language times

Making sure all of you can use the resources and activities

Doing these things will make sure you have fun, and the best start in growing your listening, understanding and speaking skills. 😊
