

Westfield Nursery School

Teaching and Learning

At Westfield Nursery we help you with active learning, being independent, creativity and problem solving. The teachers want you to do well and support you with your learning. You will be provided with a range of experiences and activities to help you learn and grow.

Nursery will provide:

A safe environment to learn and make friends

Similar activities and resources in all rooms

Activities led by you and your teachers.

A safe place to talk about your feelings, emotions and needs

Activities that cover all of the learning

Staff who are kind and understanding

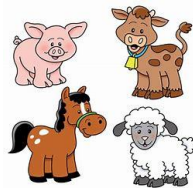

Well-resourced areas inside and outside

Home learning opportunities

Special days and events

Special visitors

Help with your learning when you need it
