July 2026

Dear Parents

As we approach the end of school year I am pleased to share a short summary of the school year with you on behalf of the Governing Body.

The Governing Body works in partnership with the Headteacher and staff to ensure your children receive the best quality education at Westfield Nursery School. This year we appointed an external advisor to assist us in monitoring the provision at the school. She is an experienced school advisor and Ofsted inspector who visits regularly and provides very useful feedback to enable the school to do its best.

The governors are pleased that the school finances this year have allowed many school resources to be replaced and enhanced, it has been some time since this has been possible. We have also been able to appoint a family support worker, Mrs Ann Stevenson, she started work recently and has started to get to know the school, the families and local community. This is a wonderful addition to the staff team, and we look forward to seeing the role develop.

The governors all have specific areas to focus on and visit the school regularly. It is a joy to see your children as they learn. The governors' reports always remark on the independence, sustained focus and friendliness of your children. Westfield Nursery is always calm and welcoming.

Of course, the governors and staff cannot achieve any of this without the support of the families. Working in partnership delivers the best possible outcomes for your children. I would like to thank you for supporting the special events and celebrations; for making donations and raising funds at the sponsored bounce. This makes a real difference to the nursery but also your children because it shows you value learning.

We are privileged that you have chosen to send your child to Westfield Nursery where we will continue to strive to offer the best learning opportunities to your child. To those families whose children are moving to primary school we wish you and your children happiness and success for the future. To those families and children who are returning after the summer we look forward to continuing to work with you.

All that remains is to wish you a safe and happy summer holiday when it arrives.

Yours sincerely

Chair of Governors
