Special Edition- Mayor's Visit

Dear Parents/ Carers,

This year marks the schools 50th birthday.

To open our year of events, today we had a visit from the mayor to plant a tree and place a commemorative plaque.

We welcomed three visitors Counsellor Richard Attwell, the mayor, Sharon Warboys, from Don't Let Dunstable Die and Amanda Gee, our community governor.

The children greeted the mayor by waving special flags they had made, the mayor planted the tree, we all sang happy birthday to Westfield Nursery, then the mayor spoke some lovely words.

'It's a special year for the school as the school is fifty years old (a big number!) and today we are planting a special tree to grow for fifty more years. This year the teachers have lots of celebrations planned for all the children and families to enjoy.'

We finished the ceremony by singing and dancing- 'Here we go round the cherry tree.'

The children, despite only just settling did an amazing job and you should be very proud of them.

Yours sincerely,

Mrs Collins
